Dear Prospective Sponsor,

The Windsor Wheels Soccer Club was formed 23 years ago as a professional club. From those humble beginnings, we have evolved into a major community sports organization. Soccer itself has evolved from a "foreign" sport into an integral part of the lives of the children in our community.

In response to the continued growth of our Club, we have built a beautiful new soccer facility in South Windsor. Over the last three years we have completely revamped two soccer fields at a total cost of approximately \$45,000. Our Club has also hired a qualified Head Coach to train our own coaches so that we can provide our boys and girls with the very best training possible. E. J. Lajeunesse High School, the new home field of Windsor Wheels Soccer, is part of our continuing commitment to provide our community's children with a rewarding soccer experience.

It is with these thoughts in mind that we turn to the business community for support. Major reoccurring expenses for field maintenance and equipment at our new facility are the sole responsibility of the Windsor Wheels Soccer Club. Your support, through sponsorship, will allow us to provide a high quality soccer program while maintaining reasonable registration costs. In return, your business name will be prominently associated with the positive values of youth athletics.

Please take the time to read the accompanying [Sponsorship Agreement](#). If you have any questions please contact me at 519 973-0655 or email at windsorwheels@accglobal.net we are looking forward to your partnership.

Sincerely,

Santiago Zenteno
President WWSC.
